EX-GOVERNOR WEST REAPPOINTED IN UTAH-A. W. LYMAN FOR COLLECTOR OF IN-TERNAL REVENUE IN MONTANA

THY TELEGRAPH TO THE TRIBUNE. Washington, April 7.—The list of nominations sent the President to the Senate to-day was, like that yesterday, disappointingly small. It is as follows. Caleb W. West, of Utah. to be Governor of Utah. Dominick I. Murphy, of Washington, D. C., to be

First Deputy Commissioner of Pensions. ose W. Lyman, of Montana, to be collector of internal revenue for the district of Montana; David G. Browne, of Montana, to be Collector of Customs for the district of Montana and Idaho, in the State of

Levill L. Jones, of Maryland, to be a Second Assistant Engineer in the Revenue Cutter service.

The nomination of Mr. West is an exception proving the rule which was so ostentationsly laid down President Cleveland, when he declared ex-officeholders ineligible for reappointment. It must be said, however, in Mr. West's favor, that he made, on whole, an excellent executive officer after his first appointment eight years ago, and that there are no reasons why he should not serve his Territory as well, if not better, new that he has profited by experience, and brings to the discharge of the duties Territorial Governor the knowledge gathered in four years fenure in office.

The appointment of Ambrose W. Lyman, of Monbe Collector of Internal Revenue for the pistrict of Montana and Idaho is in every respect an invitation which depended not only admirable one. Mr. Lyman has for many years been on the claim that State Legislatures were unfit to will have a good deal of work to do in the way of admirable one. Mr. Lyman has for many years been on the claim that State Legislatures were unfit to an active newspaper man. He left Washington, where ago, to assume charge of "The Helena (Mont.) Independent." The hostile attitude of "The Sun" toward the esteem in which President Cleveland held Mr.

The friends, in fact, of Mr. Lyman are not to be identified upon party lines, and he has friends wherever he is known. Flitgen years ago the future Collector of Internal Revenue for the Montana and dasho district was a collector of mews for The Tribune. It is needless to remark that the experience gathered then by him will not be detrimental to an emcent discharge of the duties of the office to which he has just been appointed.

Mr. Hoar then turned his attention to the argument of Mr. Paimer in favor of the proposed amendment, recalled the names of the men whom the State of Illinois had sent to the senate-Douglas.

nominated for Governor of Utah, succeeded Ell S. Murray, of Kentucky, as Governor of that Territory, having been appointed by Mr. Cleveland from Kentucky He made an efficient and popular Governor, and contributed materiby his tact in inducing the church to renounce polygamy and to obey the laws, 'Two years ago Governor West joined the divisionist Democrats in the Territory, and has since been an earnest advocate of Statehood for Utah. Governor West born in Cynthiana, Ky., May 25, 1844, was ed acated at Millersburg, Ky.; entered the Confederate Army, served under Joseph E. Johnston in Virginia, and later under General John H. Morgan in the West. He was a prisoner for twenty-three months at Johnston's Island in Lake Eric. After the war he practised his profession in his native State, and never held Governorship of Utah. He succeeds Governor Arthur L. Thomas, appointed by Mr. Harrison.

Dominick I. Murphy, nominated to be First Deputy Commissioner of Pensions, is not unknown about the to be the Chief Clerk of the office. His elevation to the deputy commissionership is due to his one merit and the solicitation of Mr. Harrity, who has been for some days urging his selection. Mr. Murphy is the brother of the official stenographer of the Department officials to day. Effects to be the control of the official stenographer of the Department officials to day. Ambrose W. After graduation he entered Journalism, and served as a Washington for respondent. In 1876, Johned the staff of "Tie The Iribune, but in 1879, Johned the staff of "Tie Rew-York Sun," serving first as a reporter and then as assistant editor. Afterward he held as Albany correspondent for that paper, and there became acquainted with Mr. Cleveland, who was then serving his first term as Governor. A year or two later Mr. Lyman became "The Sun's" correspondent at Washington. In 1889 he severed his connection with leastern papers to become editor of a Democratic journal in Helena, Mont.
